

Dress

We understand that fashion is very subjective. We strive to not distract from God's message on Sunday mornings. As volunteers we represent Discover Point church and more importantly we represent Jesus. Our dress should reflect that.

We are not telling you what to wear as much as giving you a guideline in what NOT to wear. The clothes we wear communicate to the people we are trying to reach.

- Discover Point T-Shirts are the exception to all of these suggestions. You are encouraged to wear you Discover Point Shirts each and every Sunday.

Men: You represent Jesus while serving. A good representation and guide is typically what is worn on while serving at similar churches. Here are some suggestions.

- Wear Hip button down long or short sleeve shirts.
- Nice jeans or shorts. Please keep them to a normal length.
- Avoid loud t-shirts with strong text and marketing messages. We'd rather not be able to read your shirt, sandals, flip-flops, and pants. **Please no political, social or shirts that might be considered controversial.**
- Please no dirty or wrinkled clothes.
